Kev's Kolumn

Hello again – I hope that everyone is keeping safe and staying well? Thankfully The Lord has blessed all those Team Members who have felt able to return to the Bus with good health and has protected us all from the Coronavirus

Sadly, we are still having to keep the young folk who visit the Bus outside until Coronavirus restrictions are lifted still further, but we have now got our new Gazebo to keep us all dry – if not warm – when the weather turns nasty (here we are using it at Woad Farm in Boston).

However, despite having the Gazebo, Storm Francis got to us on the 25th August. It wasn't the rain (almost horizontal) that stopped us, rather it was the high winds that it brought with it, which meant that it wasn't safe to take the Bus out on the road.

As a consequence, we had to cancel the Stops at Boston High Street and Sibsey that evening. I can't tell you how annoying that was!

Thanks though to all the Team Members (including Kev, our Driver for the evening) for their understanding and willingness to change their plans at such short notice.

As you know, the RoadHoG Bus is a hybrid vehicle, which runs on Diesel and Prayer and we have an internet Prayer Meeting planned via Zoom for 7pm on Friday 11th September and we would very much like you to join us for that if you possibly can please? The log-in details are: **Meeting ID 204 315 6766 Password - 251200**

One thing that we will especially be praying for will be the exciting possibility of beginning a new Stop at Fenside in the coming months. Current plans are to have it jointly sponsored by St Boltoph's (the "Stump" to you and me!) and Zion Methodist Church. HOWEVER, if you feel that you might like to be a part of that work, either as a Team Member, or as a prayer partner, then please consider joining us at Boston Baptist Church at 7:30 on the evening of Monday 21st September for a (very) social distanced get together to try and plan how this will work. Sadly, we can't provide tea and biscuits, but we can guarantee a warm welcome, good fellowship and the kind of excitement that can only be experienced when God begins a new work in His kingdom. Please do be in prayer for the Meeting that evening, that we might know God's will and His leading in this.

Partner Churches: New Life Community Church, Boston Baptist Church, the Beacon Church, Boston Methodist Circuit and the Anglican Holland Deanery.

The schools start back this coming week and Tony has been working at exploring how he can continue to work with them through all the restrictions that Covid-19 has created. Hopefully, Tony will be able to give you an update in next Month's Newsletter, one thing I can tell you is that we are immensely grateful to everyone who is praying for him and the schools work that he does, please keep Tony at the forefront of your prayers.

Some of you will know that Wendy Green, a member of the RoadHoG Team at Sibsey recently suffered a heart attack – she has asked me to thank everyone who has been praying for her, in her most recent email she says: *"I do keep in my mind the dry pool with no escape, until the power of everyone's prayers lifts me back onto my feet to keep me improving!"*. We will continue to pray for the Lord's continued healing for Wendy and for her family.

Until next month – every blessing,

Kev!
