A month for events...

Once again all of us at the roadHoG Project are indebted to you for your prayers – despite all its problems, the Bus keeps going – Praise God!

John says that he's not sure how it's still going, but thanks to him, Ben - and God's grace, it still is.

The Bus is in great demand this Summer either promoting the Project to a wider audience or supporting events held at our current evening Stops. By the time you read this we will either be at the Carrington Steam Rally on 28th & 29th May, or relaxing after our time there (it all depends on just how soon we can send this out).

We are then planning on being at the Fishtoft Jubilee Celebration on Thursday the 2nd May, at the Kirton Fun Day Celebration on Saturday the 4th May and also supporting the Jubilee Celebrations being held at Boston Baptist Church on Saturday the 25th May. Please pray for good conversations with folks, both old and young, at those events, particularly that we might be better able to engage with the youngsters who regularly attend the Stops at those places – as we should have more time available for us to chat during those events than we normally have in an evening.

You may recall that we attended the Fulney Avenue Skate Park at Spalding at the end of October last year along with Spalding Police, where we were particularly successful at reinforcing connections between the local young people and members of Spalding's Community Policing Officers. We are thrilled to be able to report that we have been invited back there and are planning to be at the Skate Park on the evening of Friday 24th. Please do pray for that evening, that we will know God's blessing and leading as we attempt to work with the youngsters there.

Continued...

Please also pray for our fantastic Team Members who have volunteered to Staff all of these extra events. These folk give up their free time regularly, to attend the Bus at our usual Stops, and also at all the extra activities we find ourselves being involved in – their dedication to the work of roadHoG is humbling to see and I am extremely proud to be allowed to work with such dedicated and God-loving people.

I mentioned in the last Newsletter that I am planning to begin a new series of Training for those who wish to join the roadHoG Project – or who just want to come along to learn more of what we do. Sadly I've had to delay these, but if you believe that God is calling you to either join our Bus Teams, or to get further involved with the Prayer, then **please get in touch at kevin.smithbone@btinternet.com**

It would be great to have someone who could coordinate prayer for each of the Stops that the Bus regularly attends. We insist on there being someone praying in the Prayer Room on the Bus at each Stop, but it would be great if we could have a list of people who we know are praying for us whilst we are there. I'm sure that our Team Leaders would be happy to let those people have a brief résumé of what has happened at the Stop and a list of things to pray for the next time we are there. If you believe that you could coordinate that Prayer Ministry for us, please do get in touch (same email as above). You will need to a DBS certification, but if you don't have one now, we would be more than happy to arrange one for you.

Finally – please do continue to pray for the funding to become available for us to purchase a new Bus. We are planning on a slightly longer Summer break this year to allow John and Ben time to undertake the repairs necessary on the current Bus – but that will only be a stop-gap measure – a new Bus is absolutely necessary (and expensive!!).

Bless you all for your active prayer and concern for the Project – we are seeing the attitudes of young people being changed on a regular basis, simply being on board the Bus – I cannot discuss specific details here (obviously), but watching God at work is the most thrilling experience possible. It is YOUR prayers make this happen!

Thank you all!

Kevin
